CRYSTAL FIRE BURNERS

CUSTOM GAS FIRE PITS

Crystal Fire Burners are made from high quality stainless steel and include tempered glass gems and ignition controls. All standard burners are Australian Gas Approved for safety and quality. They work our line of fire pit tables or can be purchased separately for custom-built fire pits and projects.

Crystal Fire™ Burners run for up to 8 plus hours using 9kg propane tank or can be hooked up to a natural gas line. With just the push of a button, a beautiful clean-burning fire appears atop a bed of tempered glass fire gems.

FEATURES

- Available for Natural Gas and LPG
- 1 year warranty or ignition
- Limited Lifetime Warranty on stainless steel
- Electronic battery operated ignition, or 240 Volt
- Can be purchased individually to be used for custom-built projects
- Glass guard to enhance flame
- Includes: LP hose and regulator, metal flex hose, ball valve, push button sparker system
- Can be installed in open weather areas

PATIO HORIZON PANORAMIC

The Patio Horizon Outdoor gas fire will add an amazing feature to your outdoor space. No flue is necessary so it's easy to install, and with the flick of a switch, you can create a warm ambient setting.

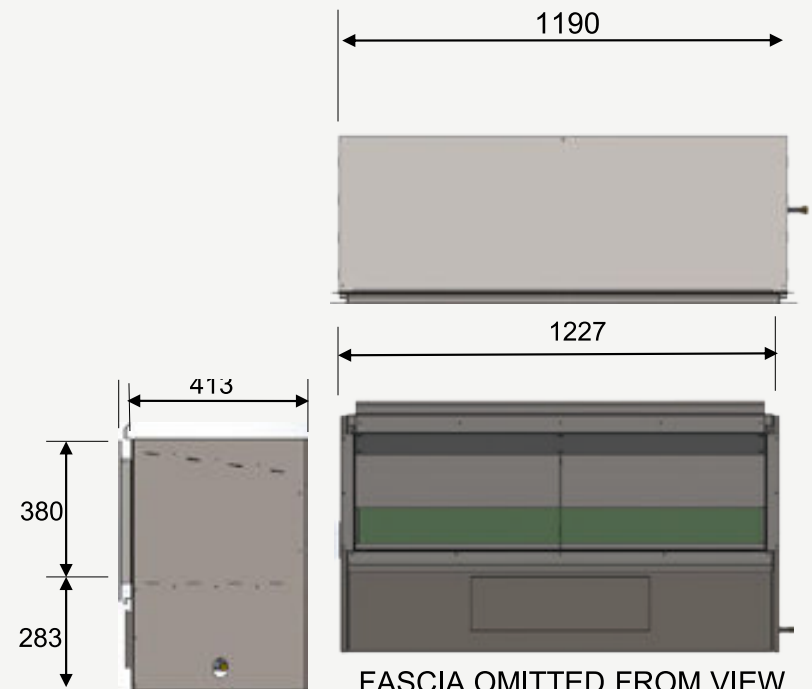

Extend your outdoor entertainment season by enjoying the radiant heat and ambiance created on those cooler Autumn and Spring months

The Panoramic comes standard with porcelain liners this gives a mesmerizing reflection of flame on all three sides enhancing the already impressive flame.

FEATURES

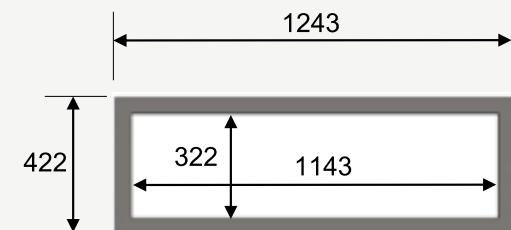

- Natural and LPG gas
- Child safety screen (optional)
- Electronic Ignition Battery or 240 Volt
- Stainless seamless welded burner.
- Porcelain Lined
- Wall switch
- No flue required
- Outdoor use only
- 4 glass media options
- 1 driftwood option
